

Welcome Home For the Holidays

Join Us in Building Tomorrow

For over 16 years, **the North County LGBTQ Resource Center** has provided life-saving support and services to North County's diverse LGBTQI community. This September, the Center moved into its new home at **1919 Apple Street**. Center staff have been hard at work transforming the new space into a forever home for the community. This holiday season, you can support the Center's work by making a donation that's meaningful to you.

Together, we can build a brighter tomorrow.
